

Follow Me Up to Carlow

The St. Patrick's Society and Davenport Sister Cities are seeking support from the Davenport community for an upcoming delegate visit and youth exchange program with Carlow County, Ireland.

The Sister City relationship between Davenport, Iowa and Carlow County, Ireland began in 2006 to foster citizen diplomacy and community partnership. Recently a delegation from Davenport traveled to Carlow County to meet with city officials and the leaders of their Rotary Club to begin planning visit to Davenport for the Grand Parade in March and a youth exchange next summer. We are seeking potential host homes for Carlow County dignitaries during their Grand Parade visit, Carlow-lovers interested in joining the delegation in the parade festivities, and hosts for the youth exchange next summer. If you are a Carlow descendant or are interested in more information, please contact Davenport Sister Cities at (563) 232-3971.
